# Corresponding Secretary Report

- Nothing new to report

# District Report

- **MBD:**
  - November is Kindness month so all students are working on completing a Kindness Chain. Each time they do something kind, they can add their name to the chain.
  - We are also doing a kindness donation looking for toiletries, non-perishable food items, and gift cards to donate to the Bloomingdale Food Pantry and His Helping Hands
- **SRD:**
  - Grade 2 recently completed a wonderful project on family traditions. Students had the opportunity to share special customs, celebrations, and activities they enjoy with their families. It was a great way for classmates to learn more about one another, appreciate different cultures, and celebrate the diversity within their grade.
  - Our 3rd grade students recently enjoyed a fantastic visit from a Passaic County Ranger, who led a hands-on lesson all about animal adaptations. He previously taught 3rd grade in Franklin, NJ for 27 years, and it showed — he had our students fully engaged for an hour in each classroom! We are already looking forward to his return in the spring for an exciting outdoor lesson.

# District Report

- **SRD Continued:**
  - Our 4th Grade Student Council wrapped up a successful Thanksgiving Food Drive and teamed up with the 5th Grade Junior Girl Scouts to deliver all the donations to our local food pantry. We are so proud of their leadership and community spirit!
  - Preschoolers just completed their “Pet Study,” which ended with a very special visit from the Passaic County Sheriff's K-9 Unit. The students were thrilled to meet the officer and his K-9 partner!
  - And coming up on December 11th, students will enjoy a PTA-funded Mad Science assembly, “Sounds Like Science,” with shows at 9:00 AM and 10:00 AM. It's sure to be a fun and high-energy experience for them!
- **WTB:**
  - Conferences: We had an outstanding turnout with multiple grades maxing out their allotted appointments.
  - On Tuesday, November 11th WTB hosted a Veteran's Day assembly for our 8th grade students. We hosted six veterans, including parents and grandparents of students and staff. We were also fortunate to include two of our WTB staff members who are also veterans. Students were shown the ceremonial folding of the American Flag and also broke off into small groups and heard from individuals who served in different branches of our armed forces.

# District Report

- **WTB Continued:**
  - Moriah School: As part of our Holocaust Education, WTB has partnered with the Moriah School, A Jewish Day School in Bergen County. This is the third year of our partnership and it is a great opportunity for our 8th grade students, and the 8th grade students from the Moriah School to build relationships and learn from, and alongside one another. During this trip, the students heard from one of the Jews saved by Oskar Schindler. We will be going back in April for a follow up.
  - Congratulations Ms. King: On Friday, November 14th, Ms. King was honored by the New Jersey Technology & Engineering Educators Association. Ms. King received the New Teacher Excellence Award. This is a prestigious award that very few educators have received.
  - Thanksgiving Feast: On November 19th, the students in our MD room prepared a full Thanksgiving feast which was enjoyed by staff, district admin, the MD students themselves, and members of our Bloomingdale Police Department. It was a great time and the food was delicious!

# Grants & Scholarships Committee

- Winner will be announced 11/21
