I understand that my student should treat all his/her peers and event chaperones respectfully. I understand my student will wear appropriate attire, no clothing with holes, no clothing depicting negative messages, and no clothing that exposes undergarments or private areas.

I understand that this event will be held at the middle school, and there will be a chaperone from my student's school. I also understand that if there are any health or behavior issues related to my student, I will be asked to come pick them up from the event. Once students enter the event, they cannot leave without parental permission. I understand that my student should follow all school policies/rules that are in place during school hours.

Cell phones are allowed, however if any chaperone feels a cell phone is being used to take pictures or video in a negative way the student will be asked to put the phone away, the student's name will be provided to the principal and you will be notified.
